Terms and Conditions: (1) No-Cost Single Course and (2) Tuition Reduction for Micro-Credentials and Course Series

(1) No-Cost Single Online Course

To help students through the current health and economic crisis, Purdue University Global (“Purdue Global”) will provide, to students meeting the eligibility requirements detailed below, admission to a single free online multi-credit traditional course or its corresponding single-credit module courses of the student’s choice.

Students may choose from a Purdue Global selected list of available courses. Eligible students will not be charged any tuition, fees, or books for enrollment in, or completion of, the chosen traditional course or its corresponding module courses; however, students will be responsible for any third-party (non-Purdue Global) charges for required materials or other content (see Purdue Global Catalog for details).

- Students enrolled in this No-Cost Single Online Course offer are not admitted to any Purdue Global degree or certificate program. Students wishing to enroll in a Purdue Global degree or certificate program must apply separately to such program. Purdue Global does not guarantee admission into any Purdue Global program.
- Students enrolled in this No-Cost Single Online Course offer are considered “Non-degree-Seeking” students and such courses and enrollments are not eligible for any federal student (Title IV) aid. Purdue Global makes no representations about availability of any other state, federal, or private grants or aid.
- Purdue Global will assist students in choosing a course with credits that may apply to a future Purdue Global degree or certificate program of the student’s choice; however, Purdue Global cannot guarantee that any credits earned from satisfactory completion of a traditional course or its corresponding module courses in this No-Cost Single Online Course offer will count or credit toward any degree, certificate, or program at Purdue Global or any other institution.
- Purdue Global reserves the right to deny or revoke admission to any student. All students must comply with the Purdue Global student code of conduct.

Offer only available for enrollment in one traditional course or its corresponding module courses, a single time in one term during your lifetime enrollment at Purdue Global, and is subject to the enrollment deadline listed below. This offer is nontransferable, cannot be redeemed or refunded for cash or credit, and cannot be used in any term other than the first term of student’s enrollment.

GENERAL ELIGIBILITY

To be eligible for this single free course offer, the student must:

- Be a first-time enrollee in Purdue Global or an alumni of Purdue Global in good financial and academic standing.
- Enroll in an eligible Purdue Global single traditional course or its corresponding module courses between March 30, 2020, and June 3, 2020, and start the course by June 10, 2020.
- Meet all current Purdue Global admissions requirements, including GED or high school equivalent (undergraduate).

ADDITIONAL ELIGIBILITY

A student who enrolls in a No-Cost Single Course that is also part of a listed micro-credential or course series may be eligible for the 25% tuition reduction on the balance of the courses in the micro-credential or course series provided that the student:

- Enrolls in a No-Cost Single Course that is part of an eligible micro-credential or course series by June 3 and starts by June 10;
- Subsequently enrolls in the corresponding micro-credential or course series by June 30, 2020, and starts no later than August 26, 2020.
- Remains continually enrolled in the micro-credential or course series; withdrawal will result in loss of the tuition reduction for future courses.

Note: Purdue Global reserves the right to change, amend, or discontinue this offer at any time. Additional terms and conditions may apply including, but not limited to, any stated in enrollment documents and the Purdue University Global Catalog.
(2) Tuition Reduction for Micro-Credentials and Course Series

To help students through the current health and economic crisis, Purdue Global will provide, to students meeting the eligibility requirements detailed below, a 25% tuition reduction on admission to an online micro-credential or course series of the student’s choice. Students may choose from a Purdue Global selected list of available micro-credentials or course series. Eligible students will receive a 25% tuition reduction. Books are included in the cost of tuition for the micro-credential or course series; however, students will be responsible for any resource and non-programmatic fees and third-party (non-Purdue Global) charges for required materials or other content (see Purdue Global Catalog for details).

- Students enrolled in a micro-credential or course series through this offer are not admitted to any Purdue Global degree or certificate program. Students wishing to enroll in a Purdue Global degree or certificate program must apply separately to such program. Purdue Global does not guarantee admission into any Purdue Global program.
- Students enrolled in this 25% tuition reduction offer are considered “Non-degree-Seeking” students and such courses and enrollments are not eligible for any federal student (Title IV) aid. Purdue Global makes no representations about availability of any other state, federal, or private grants or aid.
- Purdue Global will assist students in choosing courses with credits that may apply to a future Purdue Global degree or certificate program of the student’s choice; however, Purdue Global cannot guarantee that any credits earned from satisfactory completion of courses in this 25% tuition reduction offer will count or credit toward any degree, certificate, or program at Purdue Global or any other institution.
- Purdue Global reserves the right to deny or revoke admission to any student. All students must comply with the Purdue Global student code of conduct.

Offer only available for enrollment in one eligible micro-credential or course series a single time during your lifetime enrollment at Purdue Global, and is subject to the enrollment deadline listed below. This offer is nontransferable, cannot be redeemed or refunded for cash or credit, and will be applied as a credit on your student ledger.

GENERAL ELIGIBILITY

To be eligible for this 25% tuition reduction offer, the student must:

- Be a first-time enrollee in Purdue Global or an alumni of Purdue Global in good financial and academic standing.
- Enroll in an eligible Purdue Global micro-credential or course series between April 1, 2020, and June 30, 2020, and start no later than August 26, 2020.
- Meet all current Purdue Global admissions requirements, including GED or high school equivalent (undergraduate).
- Be continually enrolled in the micro-credential or course series; withdrawal will result in loss of the tuition reduction for future courses.

ADDITIONAL ELIGIBILITY

- A student who enrolls in a micro-credential or course series in a timely fashion, following timely enrollment in a No-Cost Single Course that is part of the micro-credential or course series, will receive the single course at no cost in addition to the 25% tuition reduction on the remaining courses in the micro-credential or course series.

Students cannot combine any other Purdue Global tuition reduction and/or scholarships toward their micro-credential or course series. Outside scholarships and funding are allowed.

Note: Purdue Global reserves the right to change, amend, or discontinue this offer at any time. Additional terms and conditions may apply including, but not limited to, any stated in enrollment documents and the Purdue University Global Catalog.
